

Mrs. Jones' Second Grade Language Arts September 16th – 20th

Reading: Another fantasy (fiction) story "Spoon" will be our next reading story. We will learn about characters who are not found in real life. We will identify and discuss the setting (where the story takes place). We will develop an understanding that the term **theme** is what the author wants to teach you through his or her writing.

Homework: Read the story or library book each night.

Vocabulary: Please check out the story vocabulary words below. Students will begin using the glossary to discover their meaning and how they are used in the context of the story.

Homework: Review words and definitions each night.

blue- you feel sad

citizen- a member of a community, state, or country

difference- do something that helps others

kind- nice, caring, or gentle

proper- polite and behaves well

realize- to know or understand something

useful- helpful

planned- decide ahead of time how you would do something

High-Frequency Words: One way to increase reading fluency is for students to have a healthy working knowledge of sight words that are common in everyday reading. Please have your child practice these words so they will be successful in our oral reading for class and their independent reading for Accelerated Reader.

Grammar: We will add identifying the subject (naming part) and predicate (telling part) in a declarative (statement) sentence to our grammar skill. Students will continue to identify and create complete sentences. Talk with your student about how a sentence begins, the word order, and how the sentence should end. Point out good sentences in the text of books or newsprint that you read together. Have your child tell you what the subject or predicate of a sentence is in statement sentences. Look for the Grammar Study Guide this week in your child's folder.
